**ICONIC CAMPING GUIDE CELEBRATES CANADA'S 150th
BIRTHDAY**

Camping British Columbia, the Rockies, and Yukon

***The Complete Guide to Government Park Campgrounds, Expanded Eighth
Edition***

BC's bestselling camping guidebook—now expanded to include the national parks of the Canadian Rockies in honour of the 150th anniversary of Canadian Confederation.

Over twenty years ago Jayne Seagrave wrote the first edition of her book *Camping BC: The Complete Guide to Provincial Park Campgrounds*. Over the last two decades this book has sold over 40,000 copies and continues to be the 'go to' BC camping guide. Says Jayne: "I never would have expected to still be revising and up-dating this book 22 years after the first edition was published, but each year more and more people are drawn to camping in our wonderful province and with 2017 being Canada's big birthday I think even more people will be camping this year."

In this fully revised, expanded, and updated edition of her bestselling camping guide, Jayne Seagrave lays the groundwork for anyone planning to get out of the city and explore the best that nature has to offer. Whether you're camping with kids, travelling in an RV, or looking for a comfort upgrade, *Camping British Columbia, the Canadian Rockies, and Yukon* offers over 150 possibilities for campers of every age and experience level. Released to coincide with the year of free admission to Canada's national parks, in celebration of 150 years of Confederation, this edition includes a brand new chapter on the national parks of the Canadian Rockies.

The book lists campgrounds which have interpretive programs, playgrounds, and safe swimming beaches; pick out parks with flush toilets, hot showers, and nearby restaurants and details which campgrounds are RV accessible. It lists the location, amenities, and recreational activities of every government campground in the region and includes dozens of black and white and full-colour photos. Campgrounds are listed alphabetically with clear maps and directions.
